

# HD Butyl Lo Foam

**HD Butyl Lo Foam** is an industrial strength, all-purpose maintenance cleaner and degreaser. This highly concentrated cleaner effectively removes grease, grime, oily films, soap scum and particulate soils and is extremely free rinsing. Controlled foaming agents make HD Butyl Lo Foam the ideal product for automatic scrubbers and spray applications where foam is a problem. HD Butyl Lo Foam is an excellent general purpose floor cleaner for all types of floors.

HD Butyl Lo Foam may also be used in soak and spray parts operations.

When used in spray parts cleaning applications the foam levels produced may be greater than desired. If this is the case we recommend the use of an over the side defoamer such as Hubbard-Hall's Aquapure DF-P.

HD Butyl Lo Foam is an economical and safe cleaner in which alkalis, synthetic detergents and solvents act synergistically to handle many soils generally requiring strong chemical cleaners. When used as directed, it is safe for nearly any cleaning job.

Application	Dilution	Oz/gal	pH
General Cleaning	1:20	6	
Light Duty	1:40	3	
Heavy Duty	1:10	12	12-13
Steam Cleaning	1:50-100	2-5	
Pressure Spray	1:25-50	2-6	
Heavy Degreasing	1:5-20	6-24	
Automatic Scrubbers	1:50-100	2-5	
(Varies greatly with specific equipment)			

## Caution

Alkaline liquid - Avoid contact with eyes, skin or clothing. Keep out of reach of children.
